Policy for Students With Three or More Final Exams on the Same Day

Students with three or more final examinations on the same day are entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made by the end of the twelfth week of the semester (last day to drop full-semester course), and must be approved by the instructor and department head/program director of the affected course. Students will be required to provide evidence of these situations to qualify for this exception. Once approved, the make-up examination will be administered at a mutually acceptable time and location.
